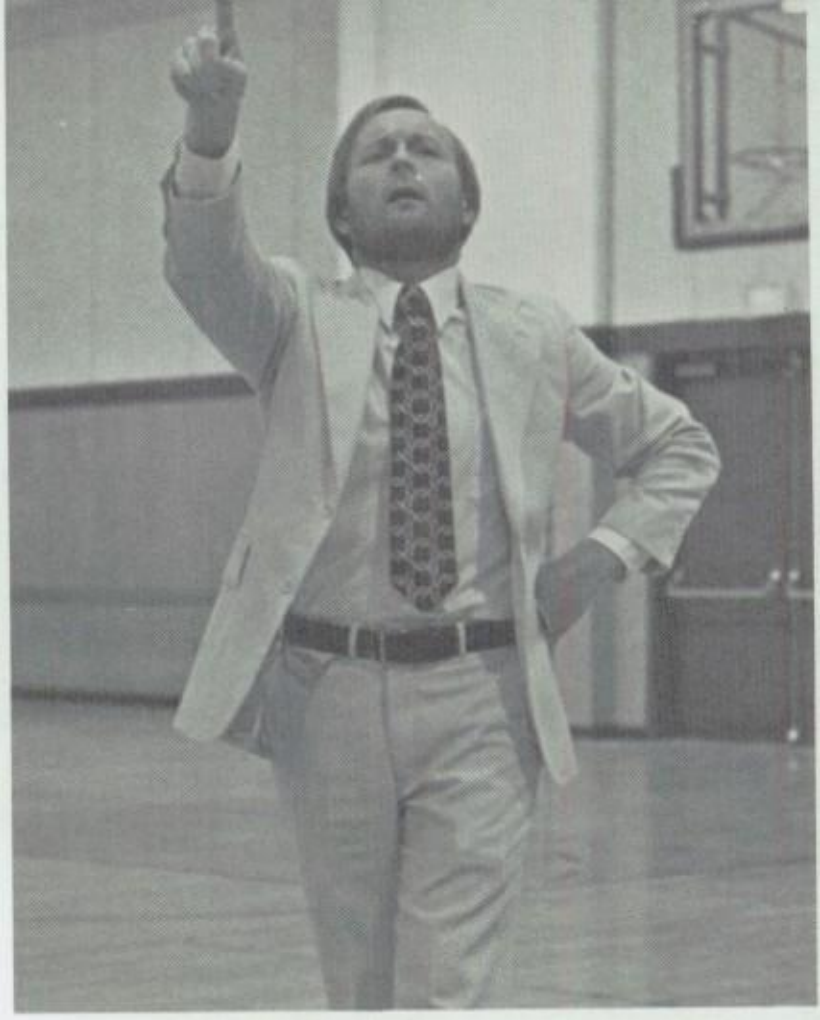
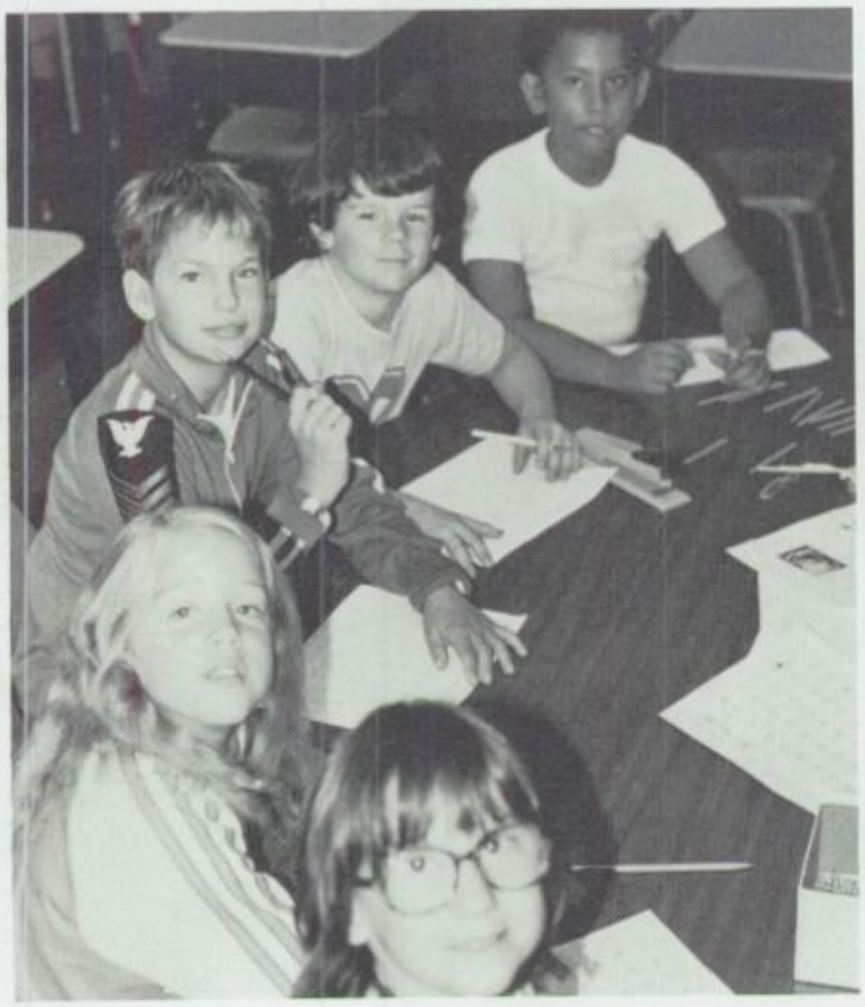
Is Mr. Finneran one of Lentz's students?



Oh, wait! Don't leave!



We're starting to write! It is boring!

Mom! We will be superstars on tv soon!

Ah, ha! I got it right!

See. We are one of Betty Crocker's chefs.

Oh! It's my sun umbrella!

Oh, Lisa! I better plug you in.

Sorry, Tim. I can't hear. Come to me.

Tee hee! I got some extra points today.

Want a spank?

Did you see E.T.'s spaceship?

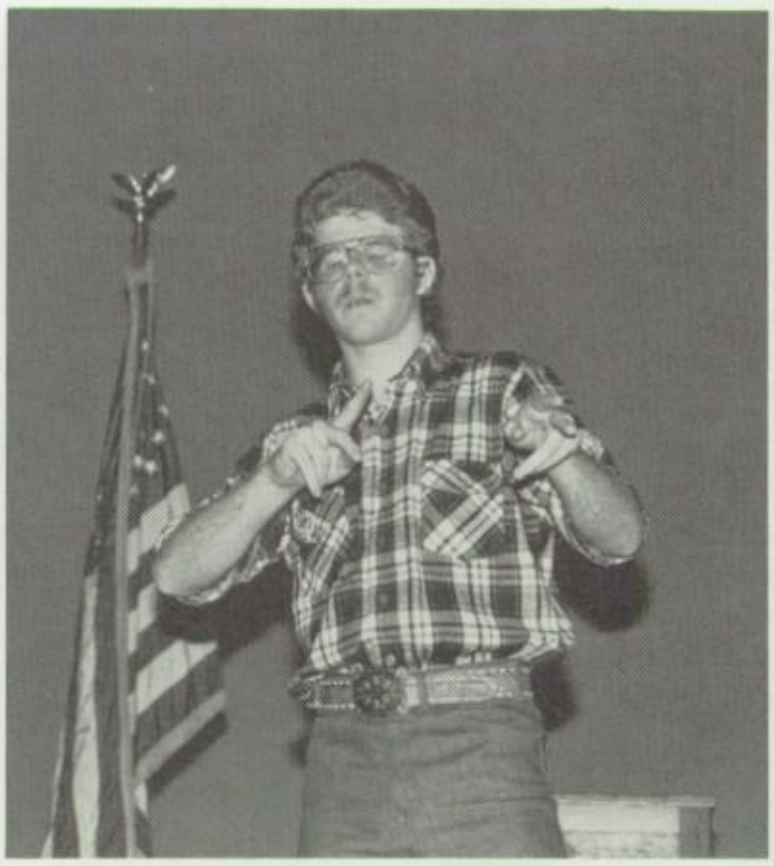
Nicky! Stop snooping around!

See! I have a super-easy time with those students!

Hey! Give me my Top Secret pictures!

Oh! Is it really boring in psychology class?

Aren't you joining the volleyball marching band?



Aren't you sleep signing?

Leave it like that. I like it.

Let's go, Monster. Let's go!

Where's the flag?

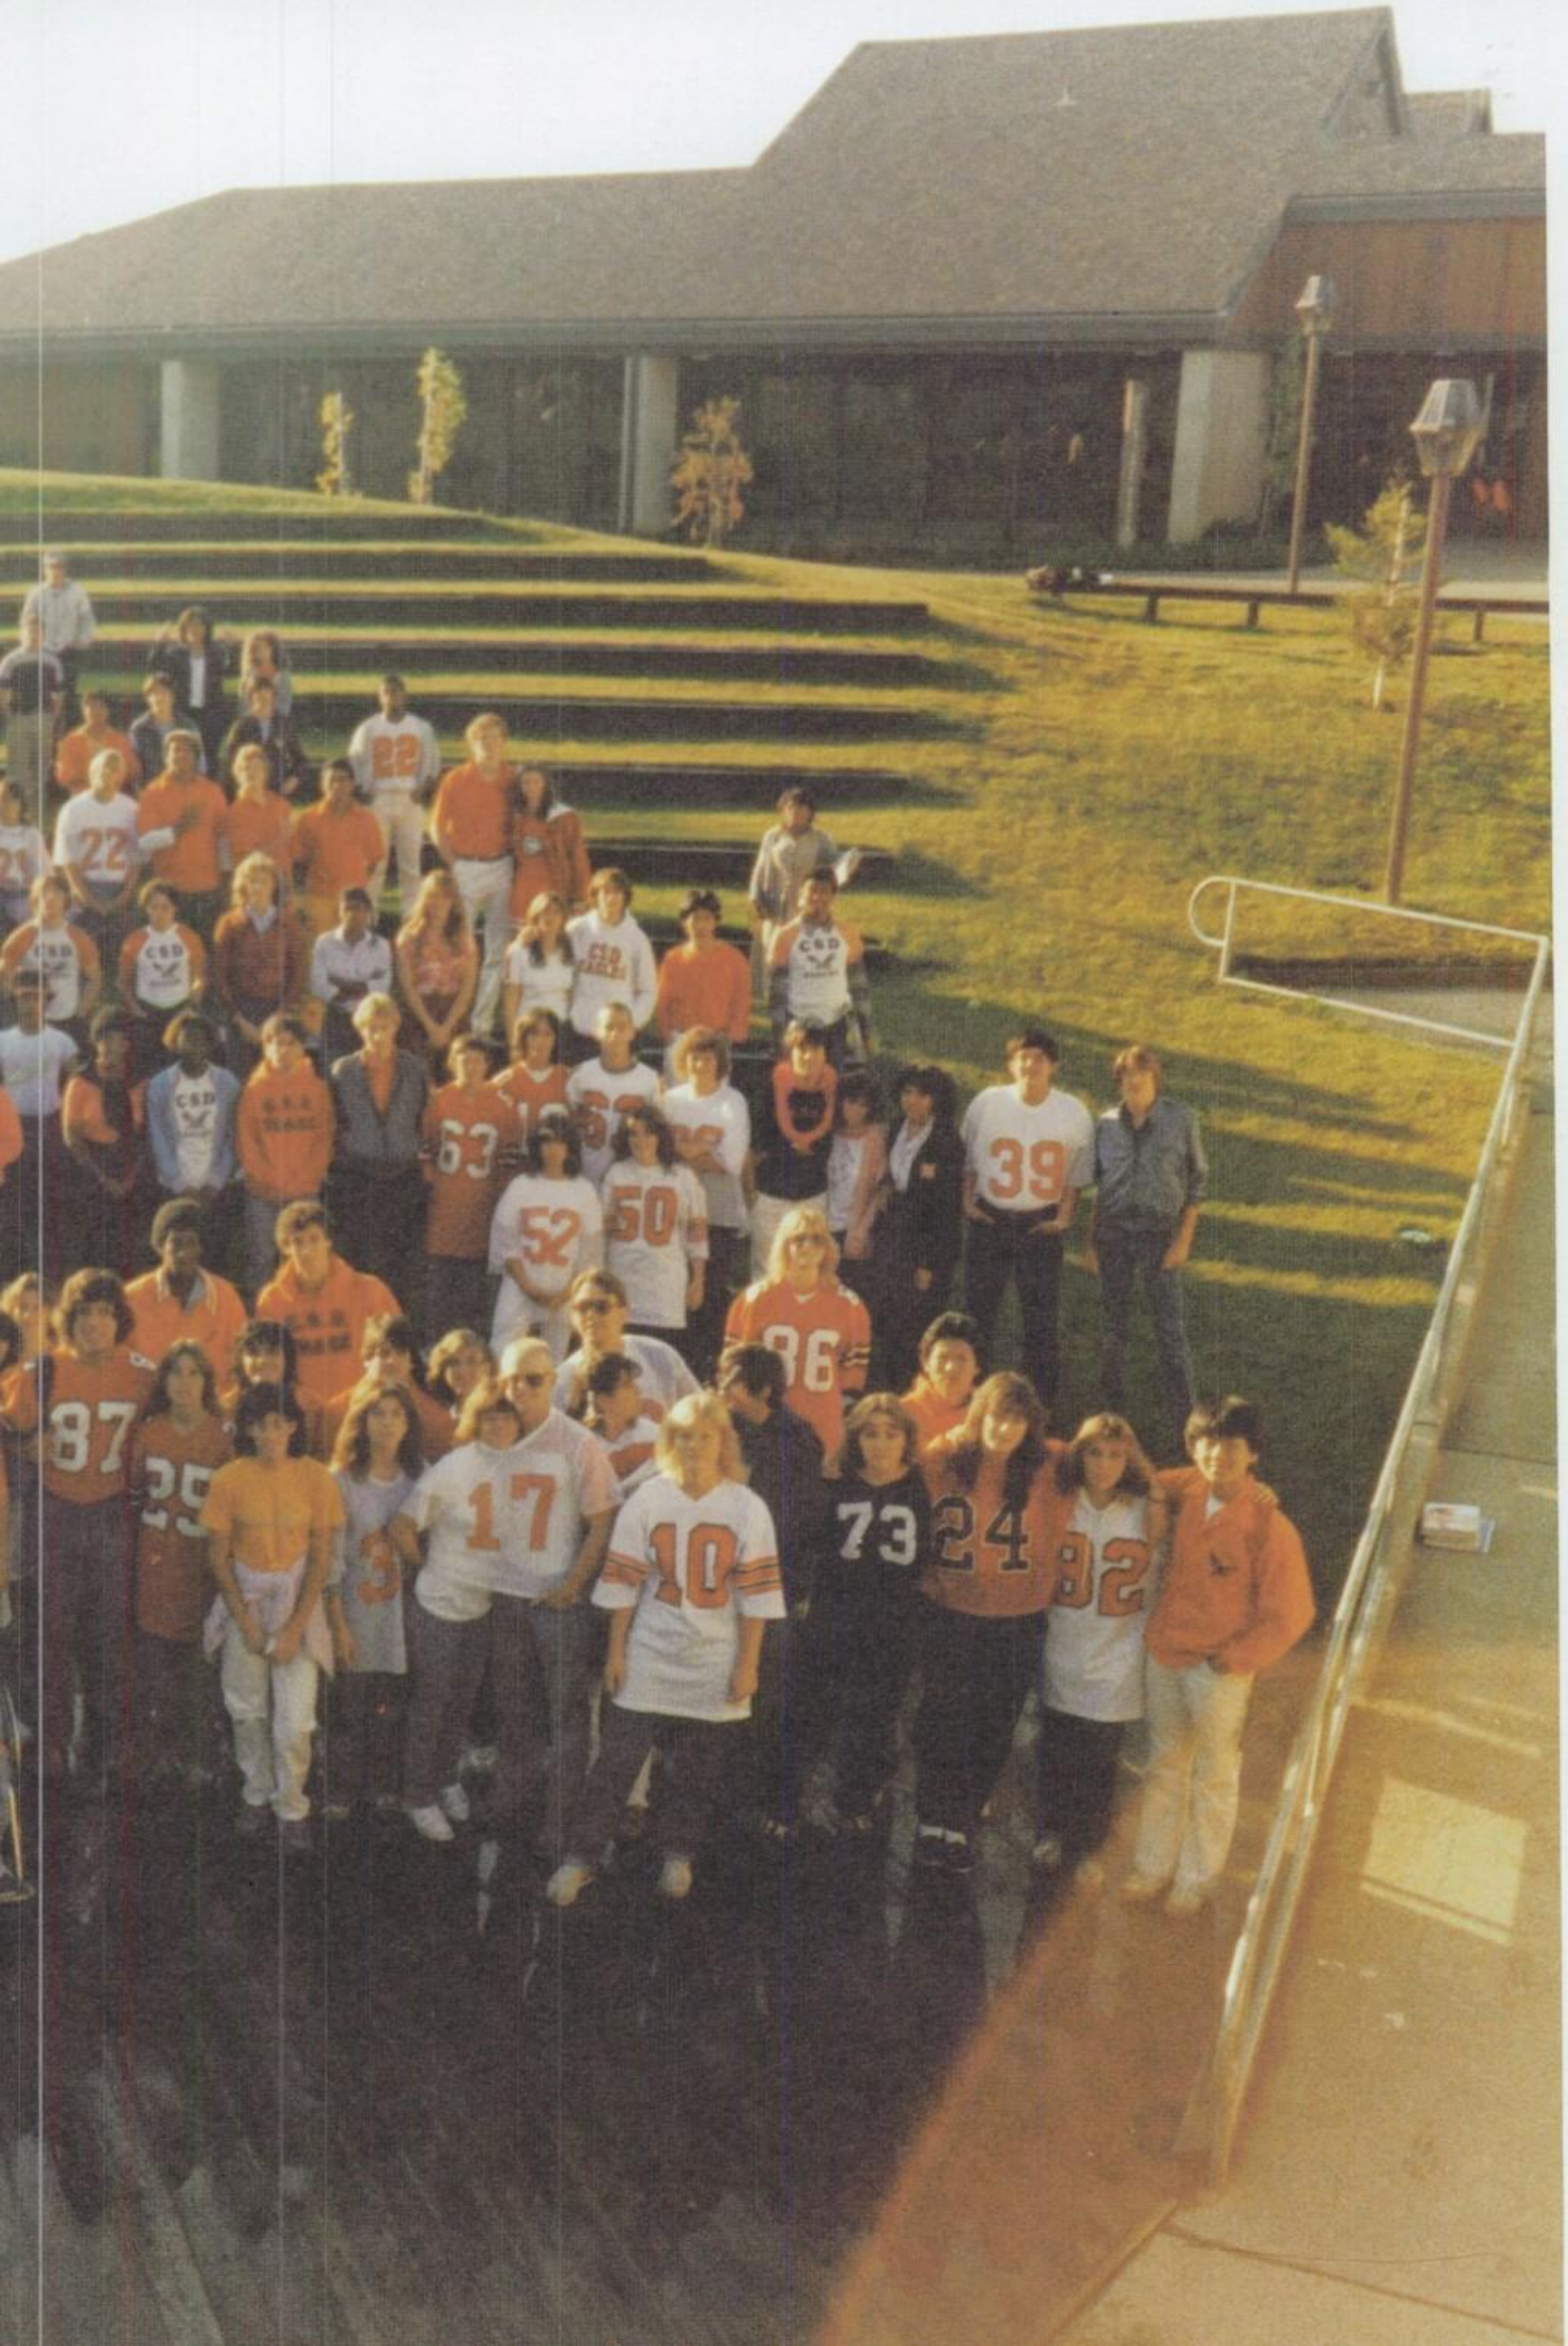
High School Dance

We had the most wonderful "Welcome Back" High School Dance on September 16, 1982. It was a good way to become acquainted with the new students. We played many fun and rough games such as "Traffic". We will remember that moment.

A shadow is behind me!

Oh! I got the wrong hand!

We are on our way!



Keep smiling!

Asilomar

On September 26th and 27th thirty-eight high school students, with staff, participated in the annual Student Leadership Conference at Pacific Grove, Ca. They went there to help improve our school and its organizations. This conference went fantastically well and they learned many new things. Everyone enjoyed themselves very much.

First row, L to R: N. Stecker, L. Evans, E. Gee, K. Norton, B. Bonheyo, J. Ingraham, T. Hickerson, D. Barrett, D. Higgs, K. Hendrix. *Second row, L to R:* C. Holsten, L. King, C. Pedersen, U. Chung, J. Buckmaster, J. Barish, T. Gaudet, C. Peterson, K. Thigpen. *Third row, L to R:* N. Moeckel, N. Horn, D. Bennett, J. Hammond, P. Souza, S.W. Chung, A. Dominguez, B. Nelson, J. Omila. *Fourth row, L to R:* Ms. DeLuca, L. Schwieger, T. Martinez, D. Ramos, S. Souza, K. McDaniel, D. Stout, N. Fylstra, J. Bardsley, M. Finneran. *Fifth row, L to R:* D. Brown, L. Rudy, C. Mahan, S. Godfrey.

Whose horns are those?

Hey, STOP flirting with me!

Is that a professional football team?

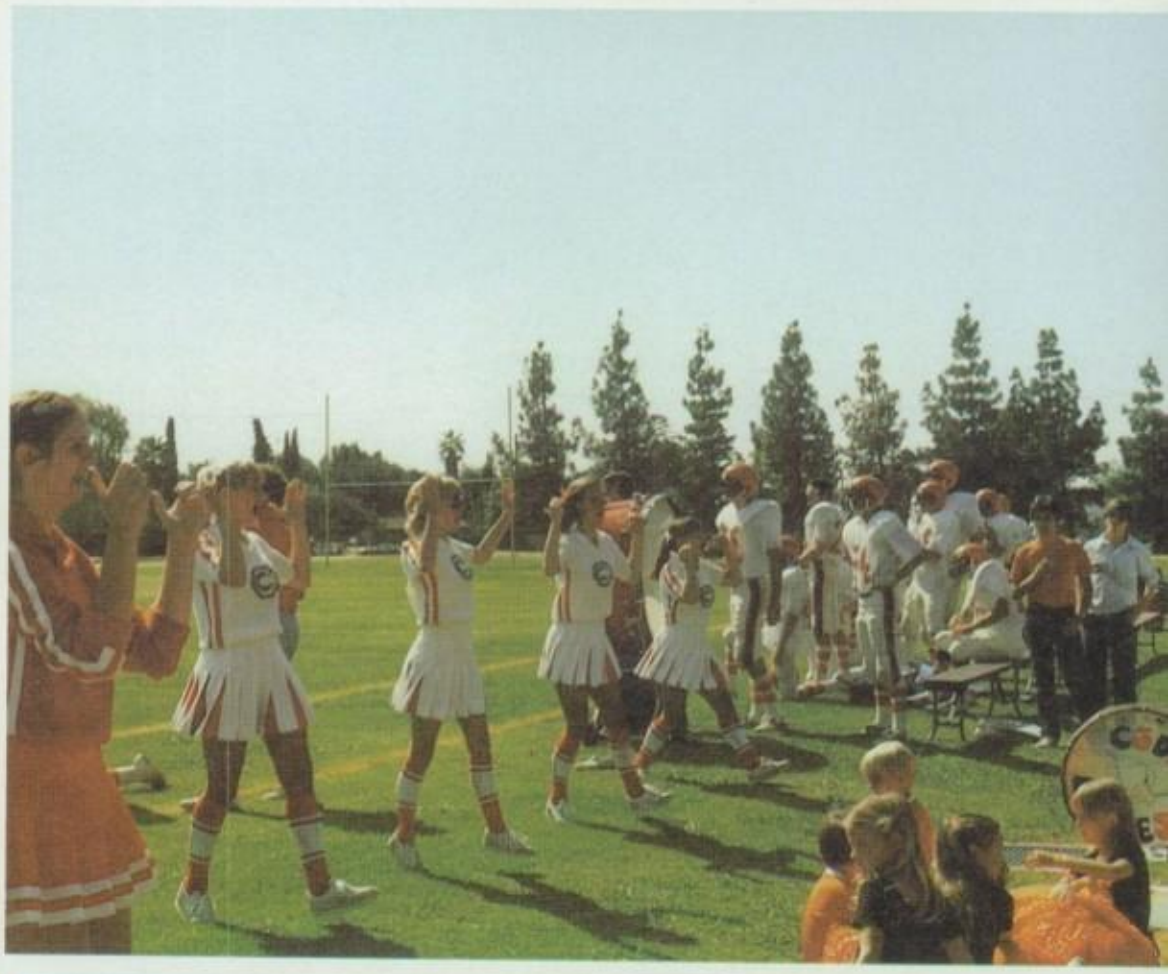
Spirit Week

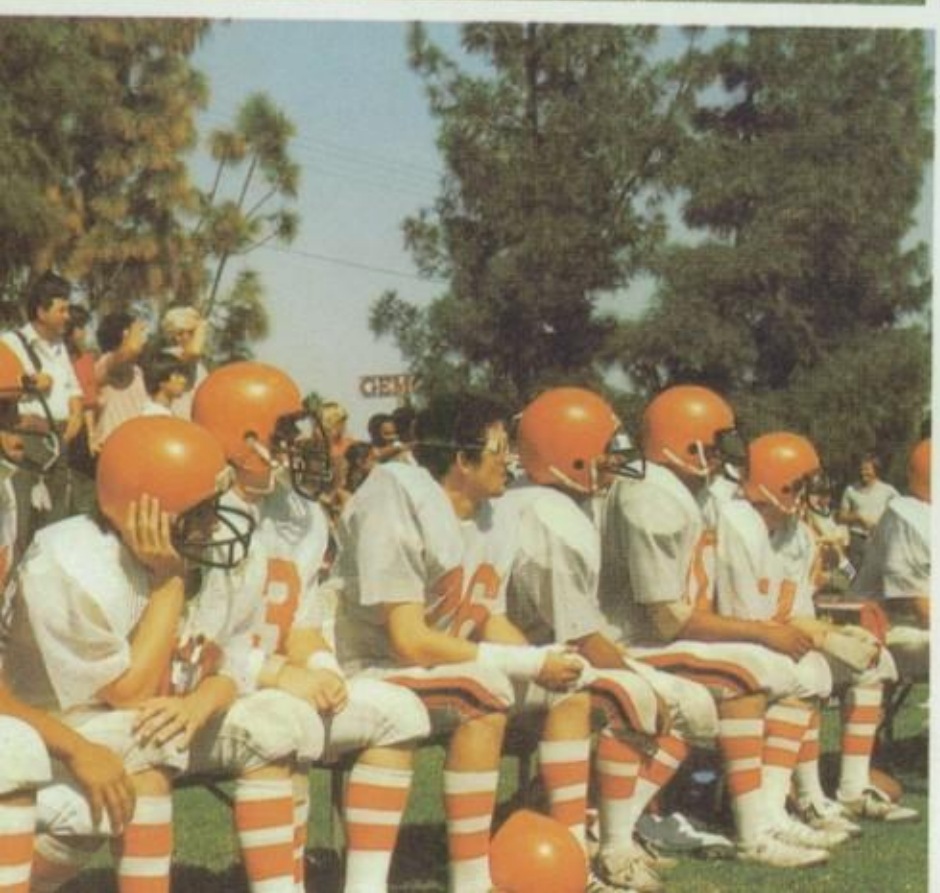
We had the most fantastic spirit week before the football players, volleyball players, and cheerleaders went to Riverside. Each day the student body dressed up in a different way. One day we were gaudy. Another day everyone was "punk". The most fun was dressing in ORANGE and BLACK clothes. We had a blast during Spirit Week.

Eek! Don't you just love me?

I didn't know that you wore glasses.

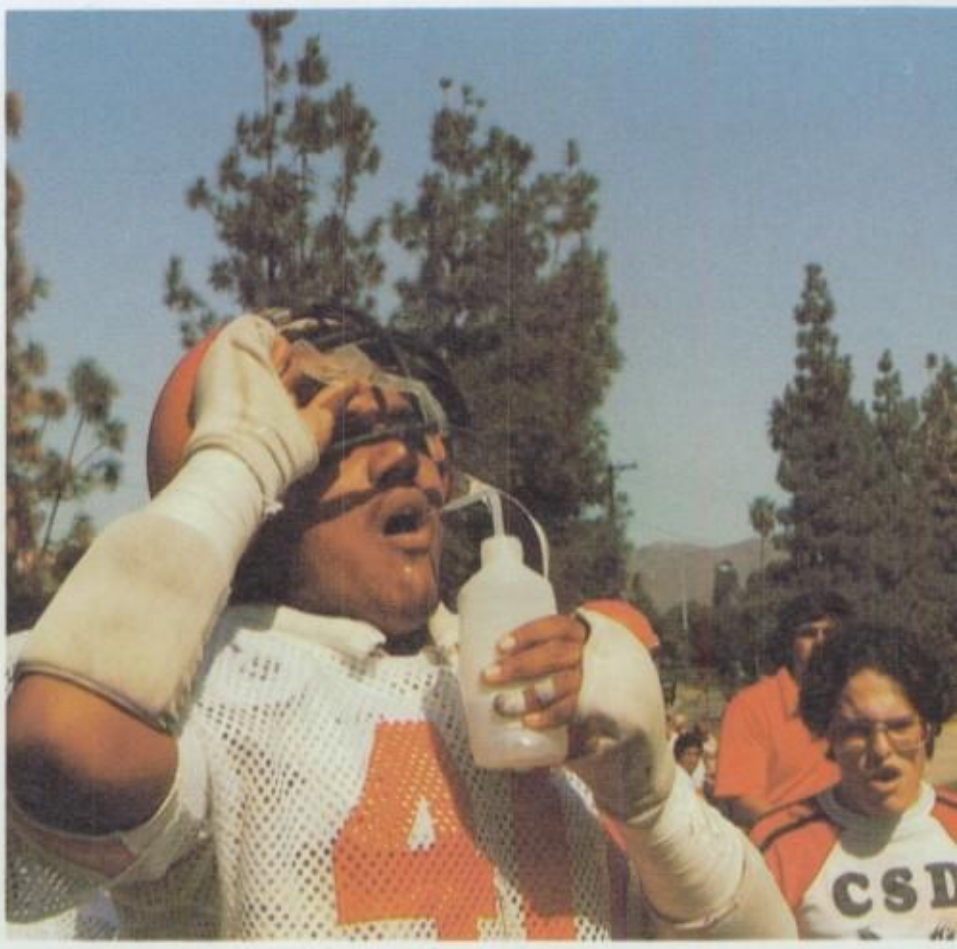
Our CSD Eagles football team traveled to Riverside and won the Big Game 32 to 6.
C.S.D.F. beat Riverside for the 2nd straight year. RIGHT ON!

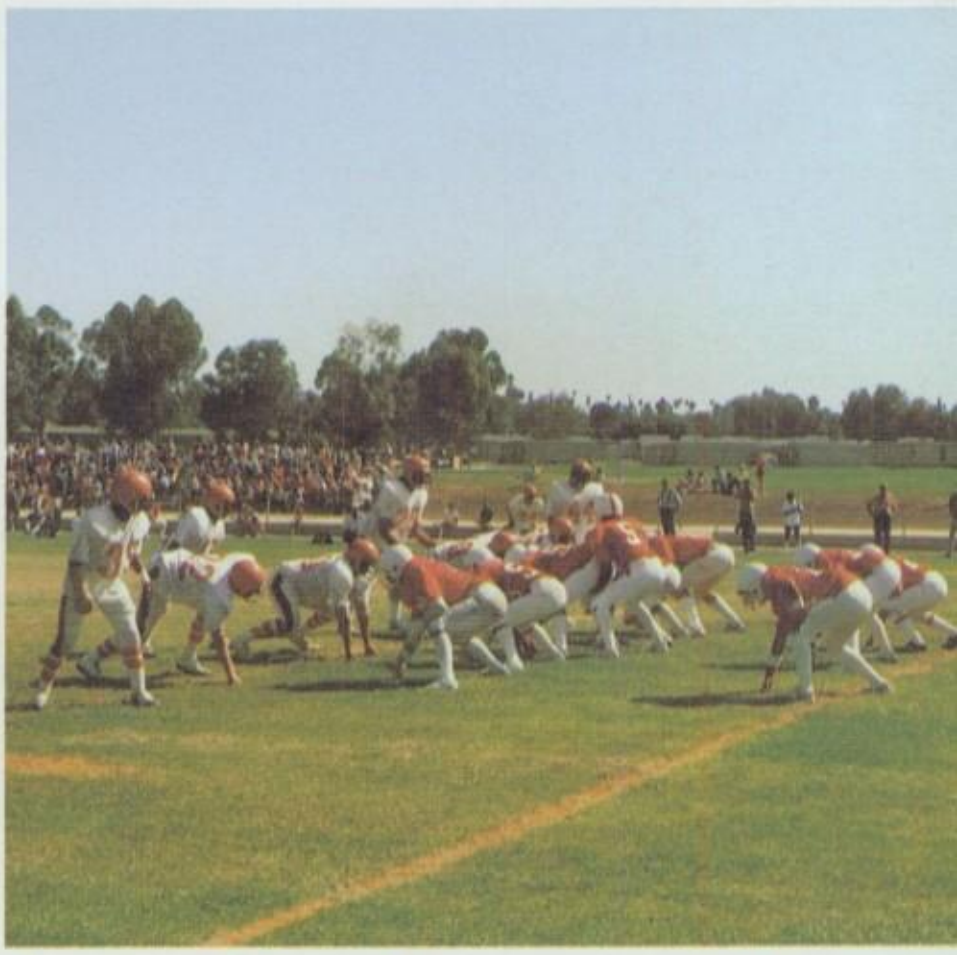


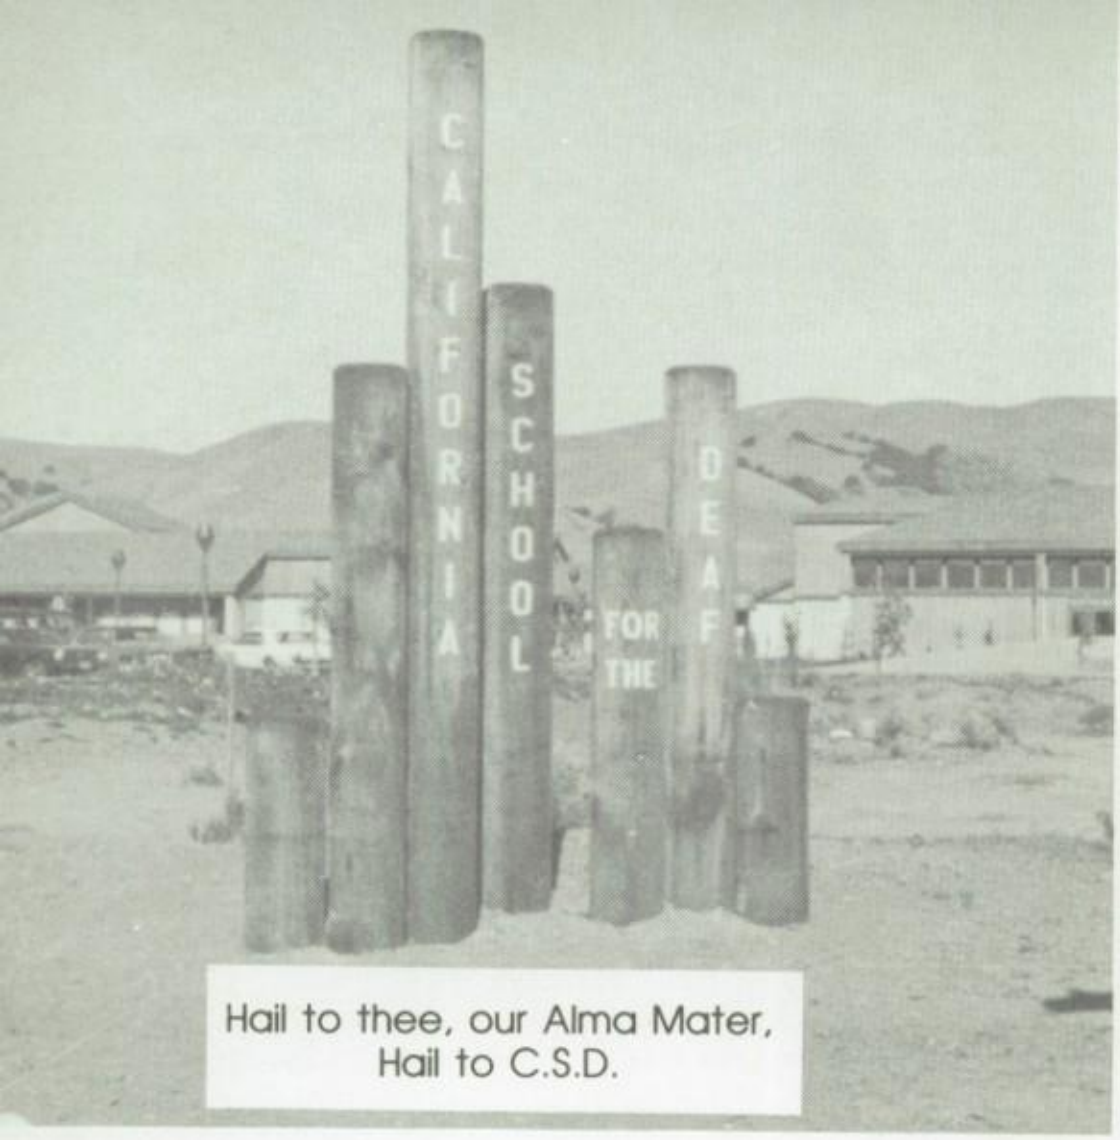


The Girls' Volleyball team lost to Riverside 15 to 7 and 15 to 4.

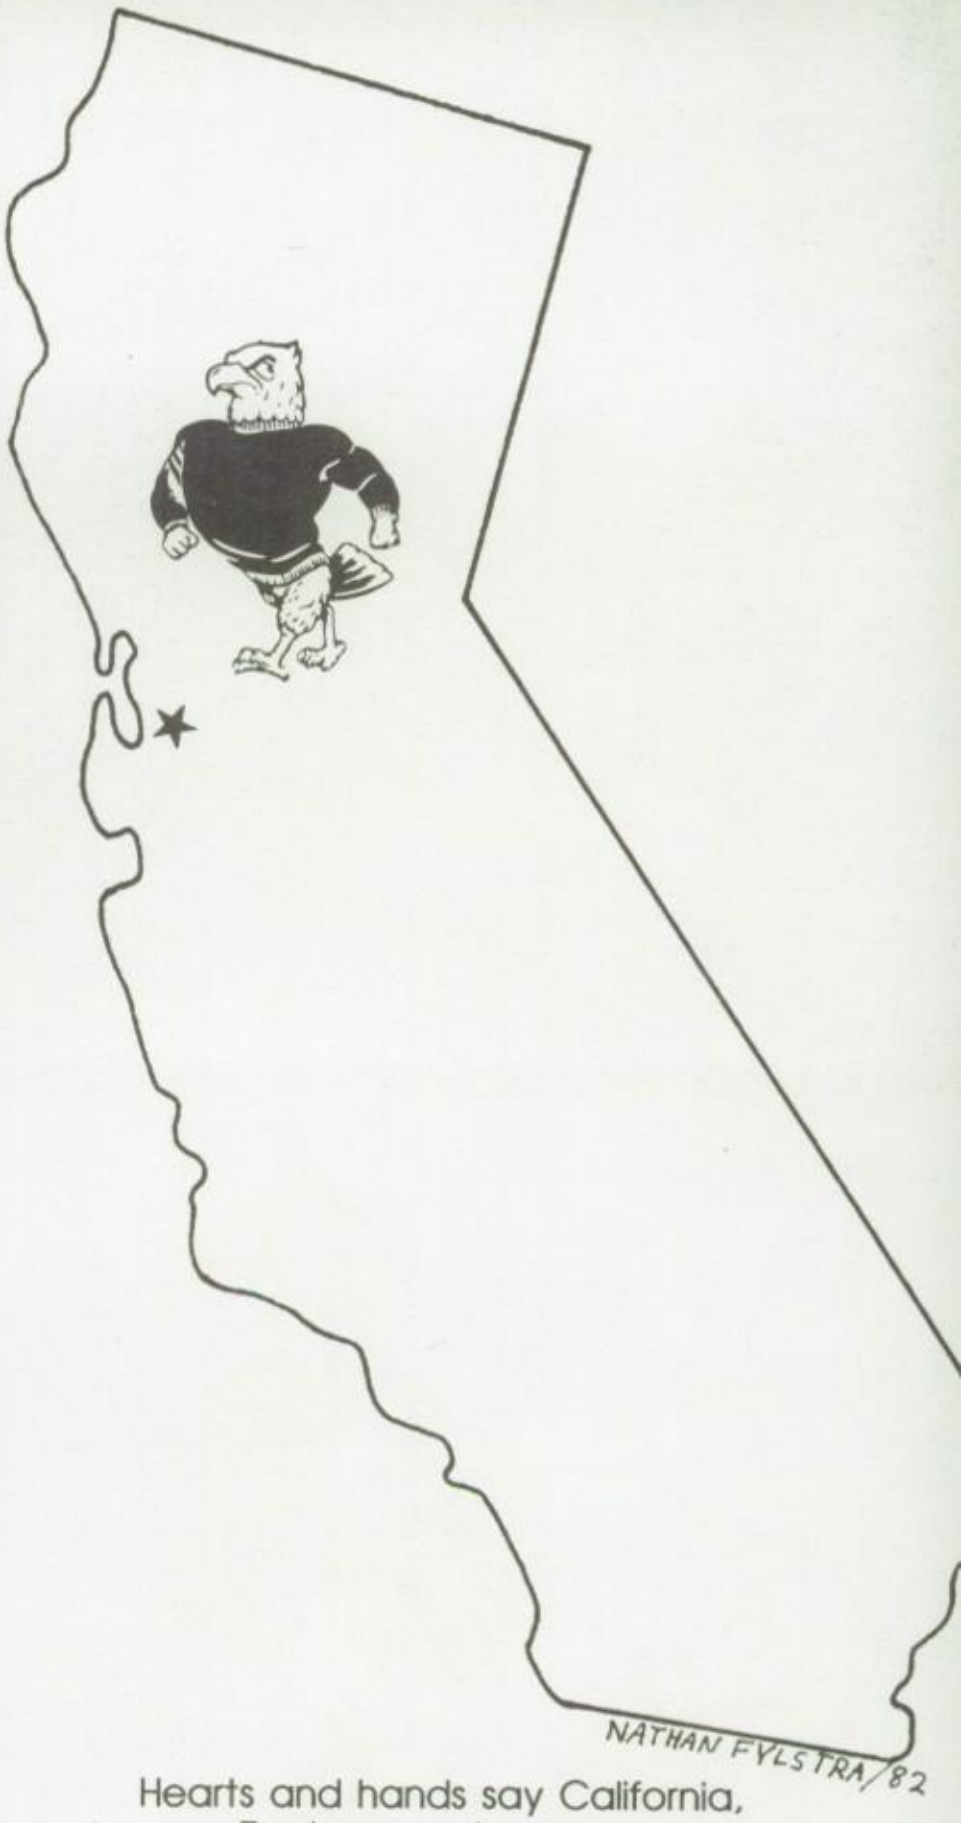
Better luck next time!





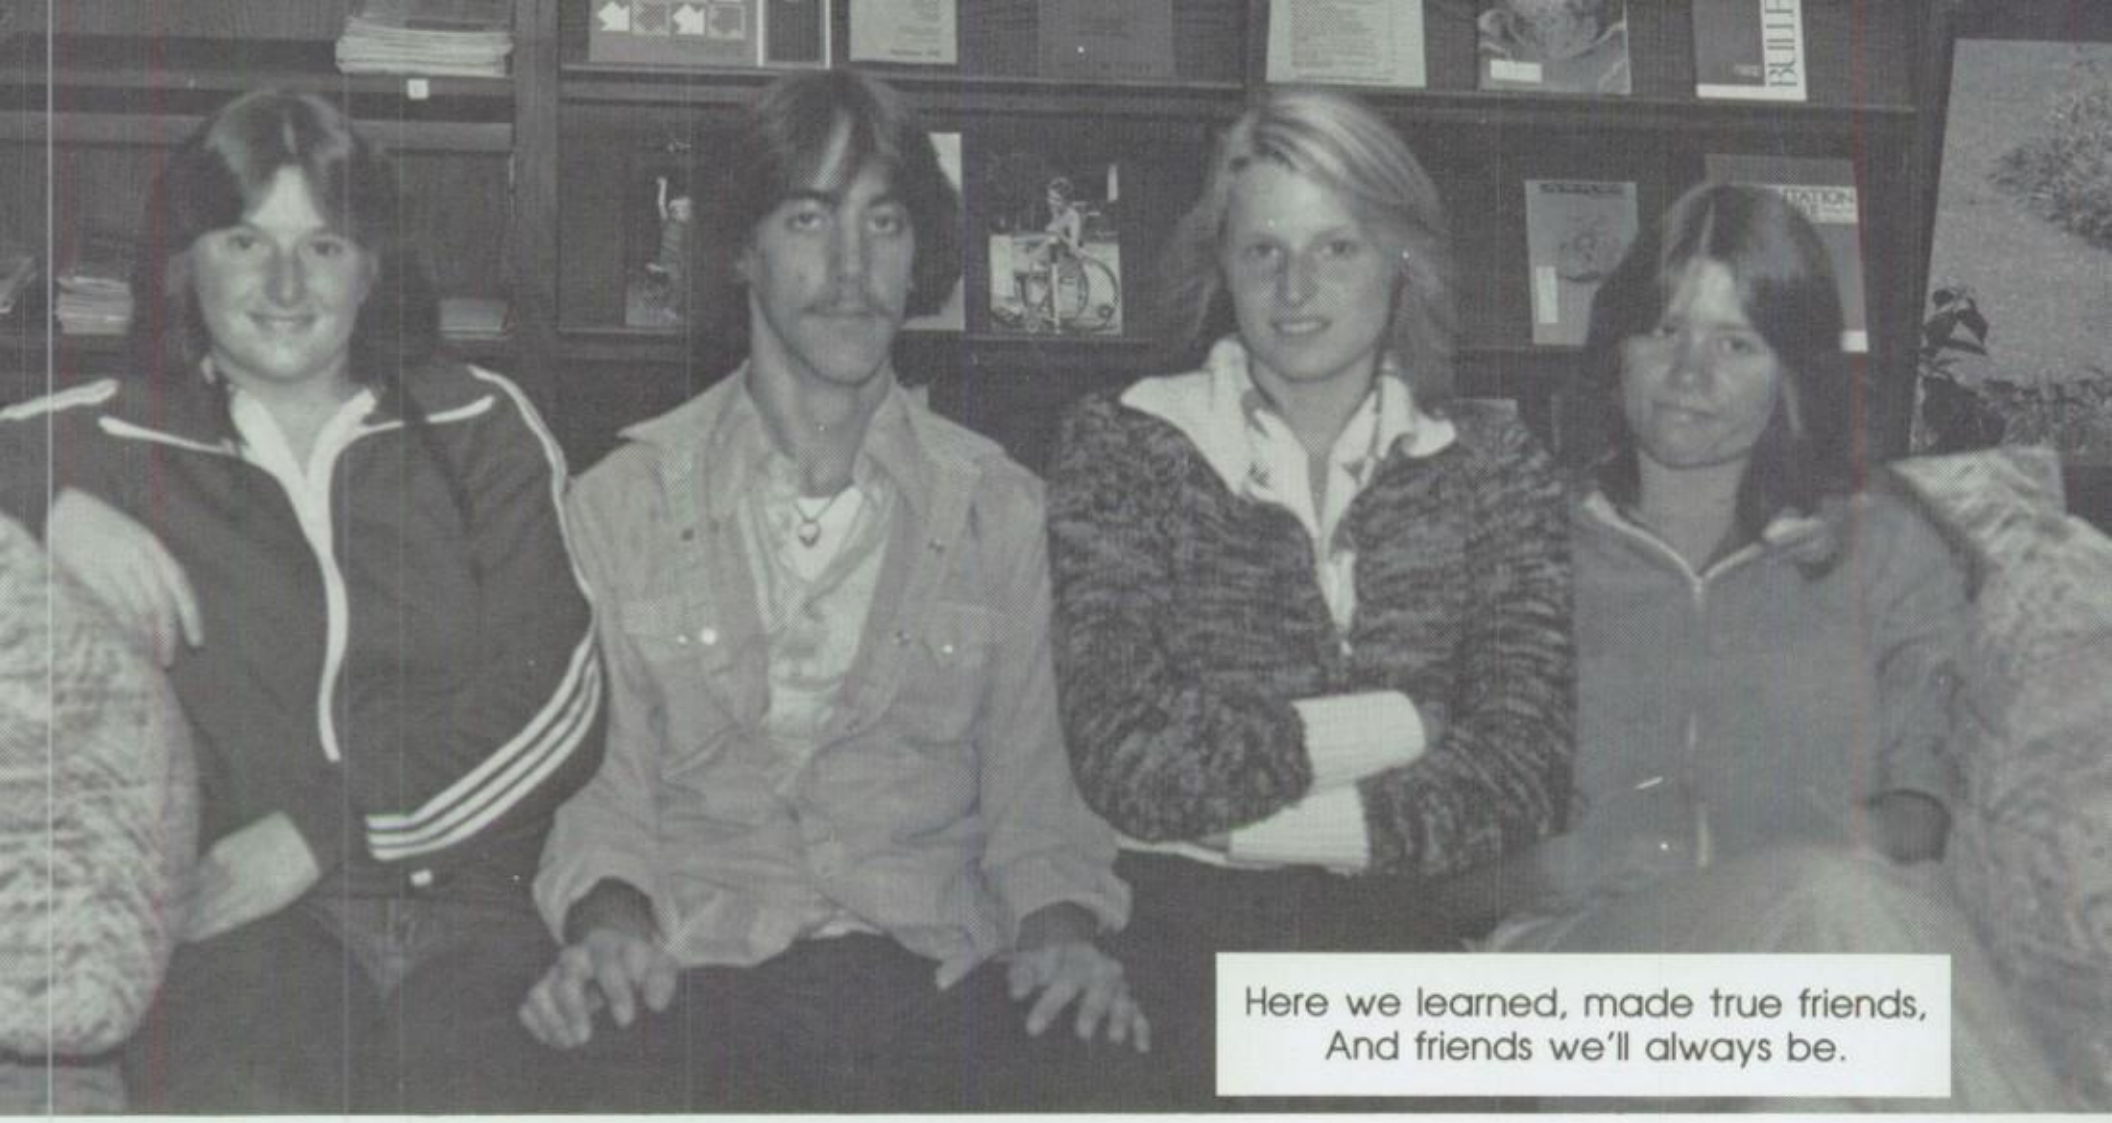


Hail to thee, our Alma Mater,
Hail to C.S.D.



Hearts and hands say California,
Eagles proud are we.

Inspired by our Bear Hunt Statue,
standing brave and strong,
Proud to claim you, Alma Mater,
Raise your name in song.

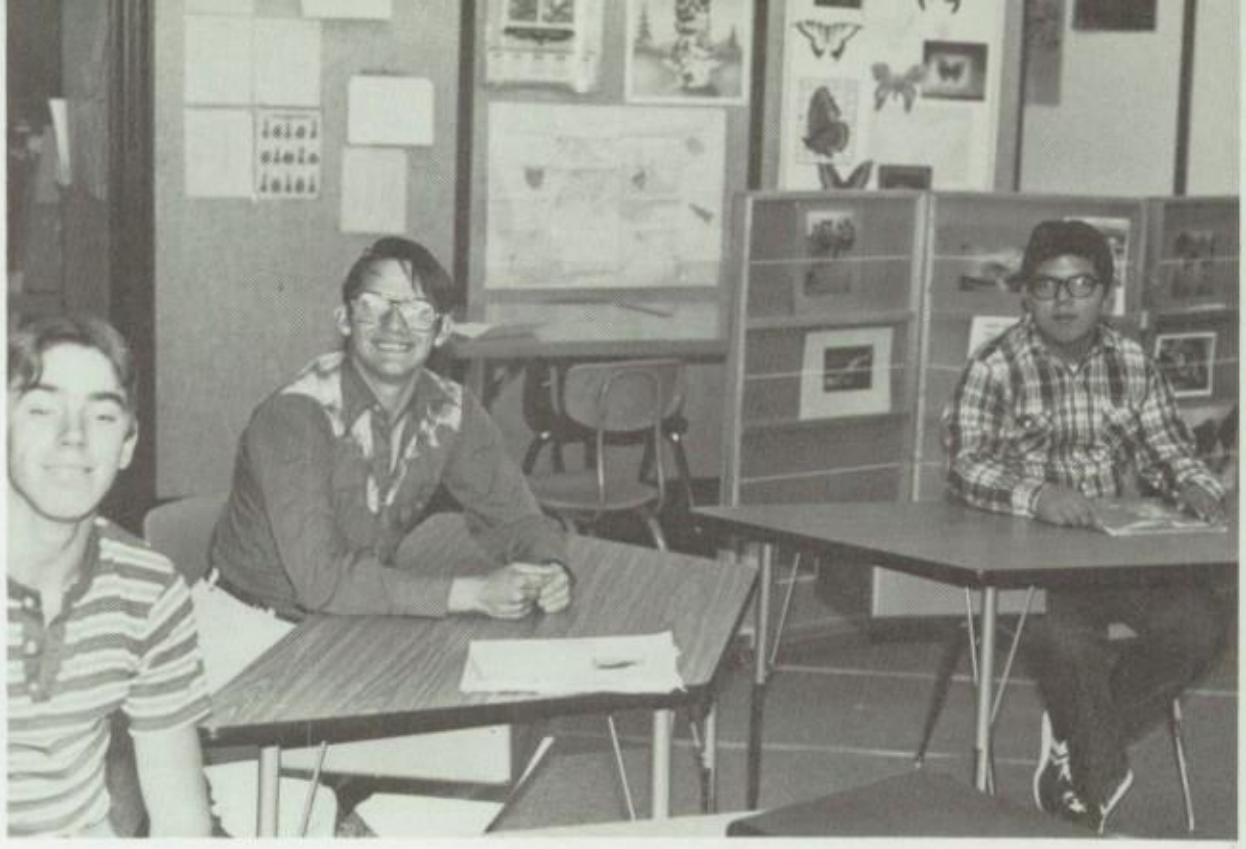


Here we learned, made true friends,
And friends we'll always be.

School of mine in days of youth,
Live on in memory.
Whatever comes in future years,
We pledge devotion true.

Through smiles and tears, dear C.S.D.
We'll stay a part of you.

Ah ha! Lance and Duane caught redhanded reading comics in school.



We are in Smile Training class!

Wow! You surely are the muscular guy on this campus!

Finally, they behaved well.

Ah, see. We got a tdd for free!

Are you an offical officer or professional daydreamer?

No wonder you both always get lost!

Are you good students at CSD?

Celebrando el Dia de los muertos!

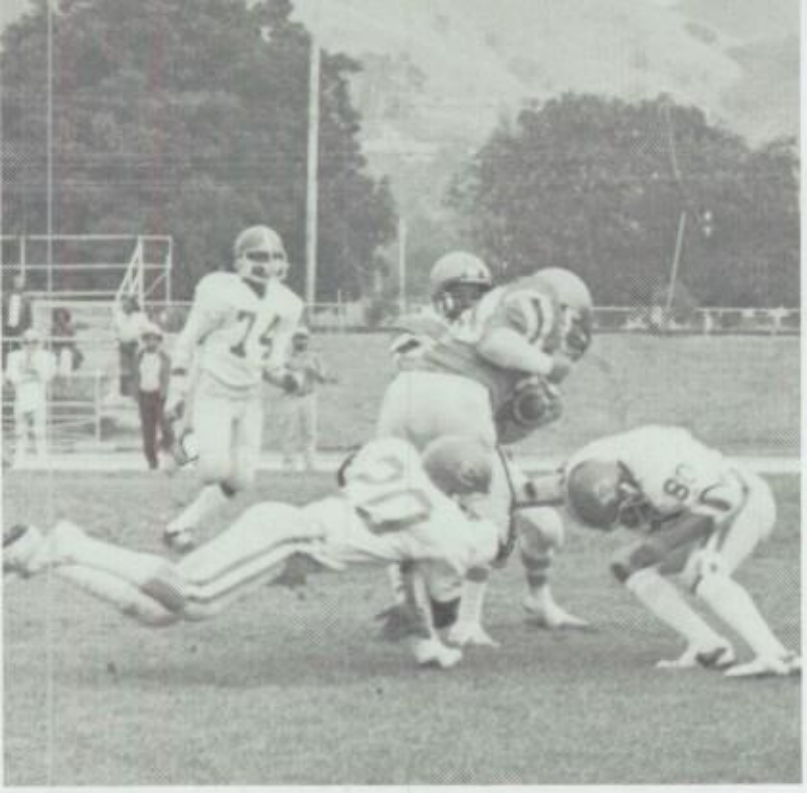
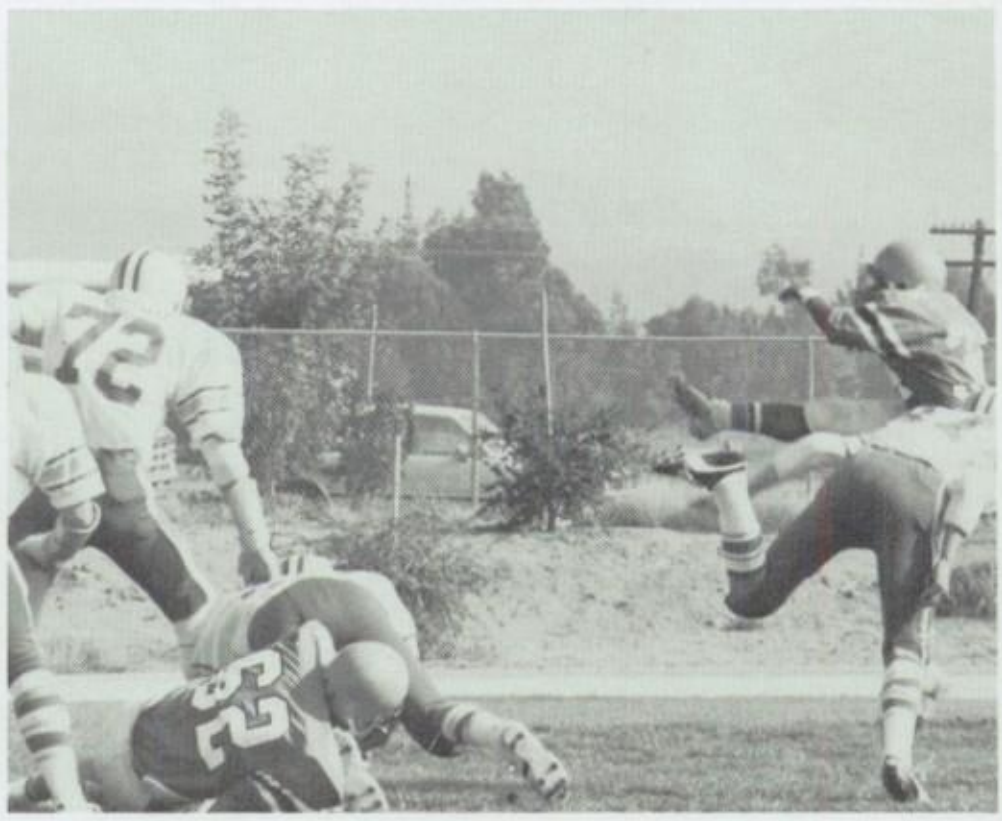
CSD's offense ready to go against Emery.



It takes more than one person to tackle big Tim Siaki.

Tim Siaki dares Emery defender to try and tackle him.

The EAGLES get psyched before the game.



A good punt by Aarion Johnson gets us out of a tough jam against Menlo.

BAC Record: Independent
Overall: 4 wins 7 losses

The scores do not tell the whole story. Many individual bouts were very close with CSD boys on losing sides. Andrew Rodriguez, 200 lb, with 12 wins and 1 loss, won third place in Kelseyville-NCS qualifying tournament. Calvin Peterson, 126 lb., landed 4th place in the same tournament.

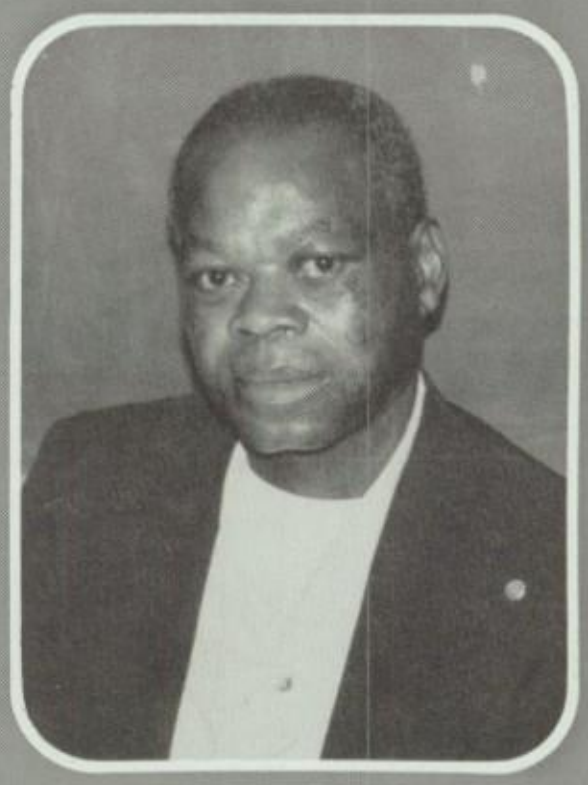
MATHEMATICS CURRICULUM Level C
CALIFORNIA SCHOOL
FOR THE DEAF

Remembering The Retirees . . .



CURTIS ANDERSON

Curtis was born in Marshall, Texas. His first job as a young man was a water boy for the B.F. Goodrich Rubber Plant. A few years later he came to California and worked for Dutche's Party Food during World War II. Six years later he was hired as the first male chef at the California School for the Deaf, Berkeley where he remained for 36 years until his retirement. Now he is enjoying fishing, babysitting his grandchildren and working in his vegetable garden.

HELEN BARBER

Helen was born in Pomona, California and attended California School for the Deaf, Berkeley. After graduating, she was accepted at Gallaudet College where she earned a Bachelor of Arts degree in Education in 1952. Helen then proceeded to teach for three years at the South Carolina School for the Deaf. Then she moved to Riverside, California teaching for 14 years at the California School for the Deaf. In 1969 she moved to Berkeley and taught in the Junior High School Department of the California School for the Deaf. The school was moved to Fremont where she continued to teach in the same department. When she retires she does not want to make any commitments; just do what she wants to do.

ANGELINE MCELROY

Angeline was born in Louiana and attended the Webter Paris Training School. After graduating, she moved to Arkansas with her mother and lived there for seven years. She then went to Houston, Texas where she married and became a housewife. Later, she and her husband moved to Portland, Oregon where she worked as a welder in a defense plant for one year. In 1946 Angeline moved to California, attended Beauty School, and worked as a beautician until 1968. At that time she became an employee of C.S.D., Berkeley working in the cafeteria as a salad maker. Since she has retired, she has been to Alaska and Hawaii and plans to continue traveling ... she still hasn't been to North Dakota, South Dakota or West Virginia.

MERLE WHITTOM

Merle was born in Parma, Idaho. He attended Lewiston State Teacher's College in Idaho and graduated from Chico State College in California with a Bachelor of Arts degree in Industrial Education. Merle began his teaching career at Washington High School in Fremont where he taught food shop for seven years. He then taught for the next four years at San Quentin Prison and during that time he earned his Supervisory and Trade Credential through the University of California. The following year he worked as the Director of Manpower Development Training in the Vallejo and San Jose School Districts. Merle went to Hawaii to work on the construction of highrise buildings. Finally, he arrived at C.S.D., Berkeley where he became the principal of the Vocational Department in 1971. He retired in June, 1982 and plans to do "anything and everything" he can afford to do. He also wants to do part time construction work.

MARIE WILSON

Marie Wilson was born in Allentown, Penn., and attended the University of Pittsburgh where she was graduated with a Bachelor of Science degree in Physical Education. She became a P.E. teacher at Riverside Polytech High School in California and then moved on to become a teacher at Berkeley High School. It was there that she met her husband, George, who was also a P.E. teacher. Later they married and Marie went on to earn a Master degree at San Francisco State University. While she was raising a family she did home teaching and then decided to take on a full time job at CSD, Berkeley after her children were older. She continued to work at CSD for the next twelve years and then retired. Now Marie is involved in a Women's Spring Tennis League and plans to also play some golf. At present she is helping a Recreation Center twice a month and wants to do something concerning deaf people in the near future.

HENRY KLOPPING
SUPERINTENDENT

June, 1983

Dear Members of the Class of 1983:

Congratulations and best wishes upon reaching this milestone in your life. I am proud of each of you for the fine efforts you have given to make our school a better place. I will remember this class as outstanding and innovative. Through the efforts of members of the Class of 1983, a Student Body Government system was established at our school. Social exchanges, including dances and fun days, were undertaken with many hearing students from Mission San Jose High School. The leadership in the class is truly remarkable.

I and others will miss you as you enter this new phase of your life. We are excited for you, however, and expect to hear about many positive accomplishments in your future.

This school is still your school, although you have graduated. We need your continued support and hope that you will stay involved with us as alumni.

Our best wishes go with you. May your future be successful and happy.

Sincerely,

Henry Klopping
